Course of Fire

Object:

Shoot twice at each of 3 silhouette targets, quickly and accurately.

Procedure:

A shooter will shoot 10 races per league.

Each race is 6 sets of silhouette targets.

Each set is 6 shots at 3 targets

A gun is loaded with no more than 6 rounds of ammunition at a time.

For each set of 3 targets:

When instructed, the shooter will load their firearm with 6 rounds of ammunition.

The shooter will grip the gun with the muzzle end of the barrel touching the table.

The scorekeeper will then give a command for the shooter to get ready.

A whistle / tone will sound letting the shooter know to start shooting.

The shooter will shoot the targets in this order:

- 1) Twice at the left target
- 2) Twice at the right target
- 3) Twice at the center target

The timer will stop when the 6th shot is fired.

Scoring:

The score for a set is the elapsed time plus shot placement values.

The score for a race is the average of the best five sets.

The league score for a shooter is the average of the race scores.
